WHAT'S GONE

- ❖ No more paper registrations to complete!
- ❖ No more paying by check unless you attend the four "in-person", online registrations.

DID YOU KNOW

- ❖ About 100-175 Greenwich & Bloomsbury youth attend each of the Rec dances? Did you also know ~20 of the same parents volunteer to chaperon these dances? We sure would like to see some fresh faces.
- ❖ There are currently 6 rec board members managing 9 sports, 5 events, the registration process, the one call, scheduling the use of the schools and many other activities that happen behind the scenes. Additionally, handling the finances to properly purchase & pay for these sports/events.
- ❖ There is one coordinator for each sport who oversees with the help of his/her assistants: scheduling, coaches, scheduling evaluations, managing parent &/or child issues, paperwork, seeking quotes, ordering uniforms/equipment, managing field availability, understanding & communicating the league rules etc.
- ❖ There are a minimum of 6 coaches per sport & ~ 8-15 children per team.
- ❖ We have ~250 children register every season to play one sport or another.
- ❖ All these volunteers are juggling their jobs, their home lives & are somehow managing to give of themselves to over half of the 700 plus youth in our community.

GIVING THANKS

- ❖ To address the "Did You Know"...I for one want to thank all our rec board members, coordinators, coaches, team mom's/dad's & countless other volunteers for all the time, effort and patience you've extended to our children over the years. Without you, our programs would not be as great as they are!!
- ❖ Bunches of thanks go out to Greg Cuzzolino, Al Hardenbergh, Kim Viscome & Shannon Hardenbergh for organizing our first annual pumpkin dropping Halloween parade.
- ❖ Rob Anselmo, Mike LeMay & Lou Moser for leading our soccer program this season.
- ❖ Marie Viscione & Denise Aylward for a great season in field hockey
