

The 2<sup>nd</sup> Annual  
**Greenwich Gators Golf Tournament**  
Friday, August 18, 2017

Dear Merchant,

The Greenwich Township Recreation Booster Club will be kicking off our 2<sup>nd</sup> Annual Greenwich Gators Golf Tournament to support Greenwich Township Recreation. We are hoping to make this our biggest event and raise enough funds to support all of the programs and events supported by Greenwich Recreation. With this event we are looking to be able to keep the registrations affordable yet provide the best in equipment and instruction for our programs. This is a great opportunity to support the local children and perform community outreach.

To make this event successful we are looking for the businesses in our community to support the event through monetary sponsorships, donations for prize awards and silent auctions. Any contribution would be greatly appreciated. Please see the attached flyer for sponsorship levels, we would also greatly appreciate gifts for awards and baskets for auction with items from your business.

We hope you find this event as a great opportunity to support the families in the area. You will receive acknowledgement at the event for your contribution, acknowledgement on our event website and our soon to come Booster Club website along with signs for the different levels of monetary donation and we will place your business cards on display. For more information please contact Jim Butler ( [jsbutler86@gmail.com](mailto:jsbutler86@gmail.com) ) , Tim Flynn ( [flyntim55@gmail.com](mailto:flyntim55@gmail.com) ) or Erich Fuller (C - 908-892-3641 or [erichfuller@gmail.com](mailto:erichfuller@gmail.com) ) to make a contribution, or you may go directly to the event website and make a donation online at: [www.planmygolfevent.com/29720-gatorgolf](http://www.planmygolfevent.com/29720-gatorgolf)

We ask that all donations be received by August 6, 2017. The Booster Club is a tax exempt, charitable organization and all donations are tax deductible. Please see below for our information.
