

IMPORTANT NOTICE
TO OUR CUSTOMERS

Maintaining the quality of water we provide is our top priority. With that in mind, we will soon be conducting our annual water main flushing program in your community.

Water main cleaning is scheduled from
8:00 p.m. to 5:00 a.m. on the following dates:

Phillipsburg – 9/9 to 9/24
Lopatcong – 9/24 to 10/6
Pohatcong – 10/6 to 10/13
Greenwich – 10/13 to 10/20
Bloomsbury – 10/20 to 10/27

Customers may experience temporary discoloration and/or decreased water pressure during this process. Customers are advised to run the cold water for one to two minutes until it clears. We also suggest that you store several quarts of water in advance for use during this time.

We thank you for your continued cooperation.
